

SECRET*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Chairman, JIGSAW Committee

FROM : Secretary, JIGSAW Committee

DATE: 13 January 1950

SUBJECT: Suggested Change by the State Department in the Sub-Committee Report of 5 January 1950

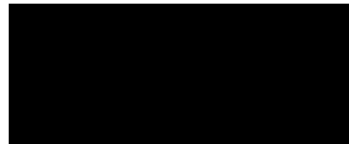

1. Mr. Nemzer called and recommended, on orders of Mr. Evans, that the last sentence of the second paragraph, page 1, and the first paragraph of page 2, be eliminated and replaced by the following paragraph:

"The Sub-Committee recommends that JIGSAW allocate to a special Sub-Committee responsibility for drawing a tentative program in the respective fields of investigation. This tentative program should, when completed, be discussed by JIGSAW and, on approval, be recommended for study and reaction by the several governmental agencies involved."

2. Mr. Nemzer stated that in his view, JIGSAW could not order, but only recommend a program. Both Mr. Evans and he feel that this substitution should be brought to the attention of the members of JIGSAW, if possible, prior to the 19 January meeting.

3. Your instructions are kindly requested.
